About Us

About Us

Hydrotek Limited is a Malawian company with a proud history of providing reliable water solutions to communities across the country. We are based on 5 Phambala Road, Namiwawa, Blantyre.

We offer comprehensive water drilling services, including water detection, borehole drilling, water reticulation systems, AC and DC pump supply and installation, borehole maintenance, as well as the construction of aprons, drainage systems, and soak ways.

To better serve the diverse needs of the Malawian market, Hydrotek Limited is expanding into essential commodity trading through our subsidiary, Nexus Global Traders. Leveraging our existing logistics and distribution expertise, this strategic move will provide vital goods that contribute to the well-being and economic development of Malawi.

We are dedicated to delivering exceptional customer service, building strong partnerships, and contributing to the well-being of the communities we serve.

Organisation

Mandate

Our **Vision**

Our vision is to be the **catalyst for a prospering Malawi**, where every community has access to life-sustaining resources and every individual can flourish. We will achieve this by pioneering sustainable solutions in water and essential commodities, empowering a brighter future for generations to come.

Our **Mission**

Our mission is to empower communities and fuel progress by providing reliable and sustainable access to water and essential commodities across Malawi. Achieving this through the following:

- Operational Excellence

  Delivering superior drilling services and efficient commodity trading, exceeding industry standards.
- Collaborative Partnerships

  Building strong relationships with clients and stakeholders, fostering trust and mutual growth.
- Innovative Solutions

  Continuously adapting and improving our services to meet the evolving needs of the Malawian market.

Our **Values**

1. **Safety First**

   We are committed to creating a safe working environment where every employee returns home safely to their family.

2. **Environmental Stewardship**

   We minimize our environmental impact through responsible practices and strive to protect the natural resources of Malawi.

3. **Innovative Solutions**

   We embrace innovation and continuously seek better ways to serve our clients, by adapting to industry changes.

4. **Customer Focus**

   We provide exceptional service and exceeding customer expectations. Our team offers expert advice, reliable solutions, and efficient execution in all our operations.

5. **Integrity and Teamwork**

   We uphold the highest ethical standards in all our business dealings. We foster a collaborative environment where teamwork, open communication, and mutual respect drive our success.

03

Our **Services**

03

Our **Services**

1. Water Solutions
   - Geological Survey and Water detection

     We offer geological survey to determine water availability.
   - Borehole design and drilling

     We design and drill borehole according to determined water yield.
   - Supply and Installation of Afridev Pump, AC/DC pumps and solar panels.
   - Water reticulation and Irrigation

2. Commodity Trading (Nexus Global Traders)
   - Wholesalers
   - General Merchant Redistributors

Our **Clientele**

Hydrotek Limited proudly serves a diverse clientele across Malawi, including:

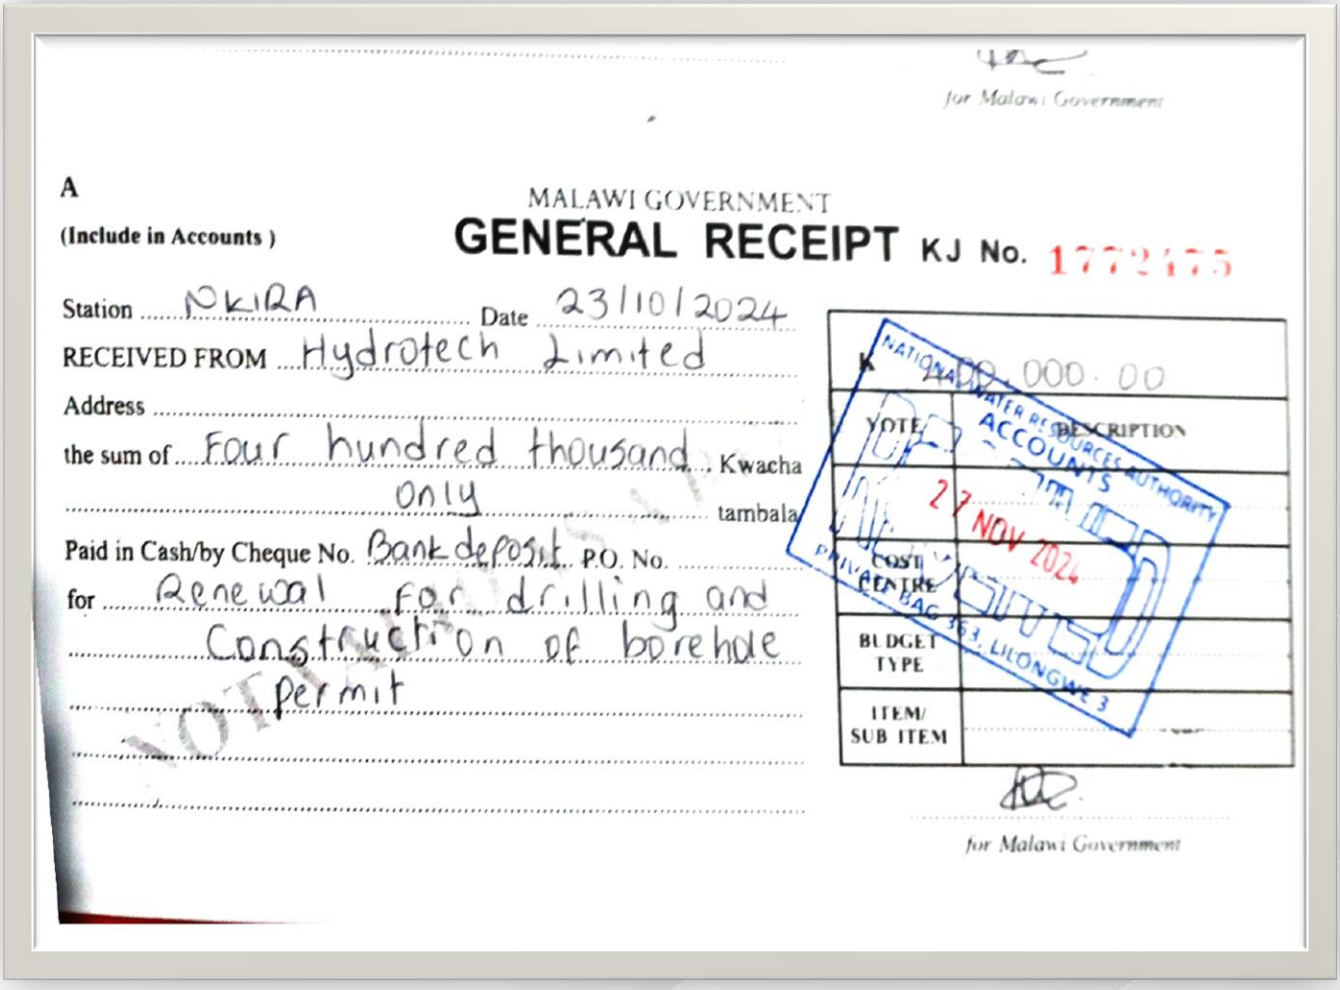

1. **Non-Governmental Organizations (NGOs):**
   We partner with NGOs to support their development initiatives by providing reliable water solutions and access to essential commodities.
2. **Private Companies and Individuals**
   We cater to the needs of businesses and individuals, offering customized solutions for water and commodity needs.
3. **Churches and Faith-Based Organizations**
   We assist faith-based organizations in fulfilling their community outreach programs by providing access to clean water and essential resources.
4. **Government Agencies**
   We collaborate with government agencies on water infrastructure projects and contribute to national development goals.
5. **Other Drilling Companies**
   We offer specialized services and support to other drilling companies as sub-contractors, fostering industry collaboration.

SUBCONTRACT No: EM-HYDRO-SRG2LB2-001

Dated: 14st November 2024

PARTIES:

1. **Emmac Construction Limited, of Chitsime 10/13/1, P.O. Box 787, Lilongwe** (the "Main Contractor")
2. **Hydrotek L.T.D, of Plot Number BE 489 Kidney Crescent; P.O. Box E686, Blantyre.** (the "Subcontractor")

RECITALS:

WHEREAS, **Emmac Construction Limited** was awarded a contract by **USAID Malawi** for the **Construction of Community Day Secondary School (CDSSs) in 4 Districts across Malawi Lot B2-72061223C00004** (the "Main Contract"); and

WHEREAS, the Main Contractor, **Emmac Construction Limited**, wishes to subcontract certain works under the Main Contract, specifically the drilling and installation of a boreholes (the "Subcontracted Works"), to **Hydrotek L.T.D** (the "Subcontractor"); and

WHEREAS, the Subcontractor agrees to execute the Subcontracted Works under the terms and conditions set forth in this agreement (the "Subcontract").

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

---

1. Scope of Subcontracted Works

The Subcontractor shall be responsible for drilling and installation, to full and approved functionality, of three boreholes, one at each of Samson in Mulanje district, Mulonda in Thyolo district and Kandeu in Chikwawa district. The Subcontractor shall perform the Subcontracted Works as detailed in the annexed **Agreed Pricing Schedule** and the **Specifications**, which form an integral part of this Subcontract.

---

2. Contract Duration

The Subcontract shall be effective from **25th October 2024** to **01st December 2024**, as per the project's program of works. The duration may be extended subject to approval by the Main Contractor's Project Manager.

---

3. Payment Terms

Website www.emmacmw.net

(a) The total amount payable to the Subcontractor for completing the Subcontracted Works shall be **29,900,000.00 Malawi Kwachas.** Payments will be made in Malawi Kwacha.
(b) The Main Contractor shall retain **5%** of the total contract sum (1,495,000.00 Malawi Kwachas) for a retention period of **one year** after the completion or termination of this contract, whichever comes first. This retention sum will be released at the end of the one-year defects liability period, provided no defects are identified in the Subcontractor's works.
(c) The payment schedule is as follows:

- **20%** of the contract value will be paid within **7 days** after signing of the contract to allow for mobilization by the subcontractor.
- **50%** will be paid **15 days** after the completion of **75%** of the work.
- The remaining **25%** will be paid **30 days** after completion of the entire work.

(d) Any valid standby claims by the Subcontractor shall be included in the Main Contractor's claim to the Client and paid only when the Client settles those claims with the Main Contractor.

---

4. Documentation and Compliance

The Subcontractor shall submit the following documents within **one week** of signing this Subcontract:

- A list of key personnel and their curriculum vitae.
- Registration Certificates and a Tax Registration Certificate to demonstrate tax compliance.
- Appropriate insurance coverage (All Risk Insurance) covering injury, loss, or damage that may occur during work performance, in compliance with the Client's prescribed minimum and maximum thresholds.
- An updated program of works.
- A list of equipment (if applicable).

---

5. Cooperation with the Main Contractor

The Subcontractor agrees to cooperate fully with the Main Contractor's agents, employees, and representatives during the execution of the Subcontracted Works.

---

6. Taxes and Duties

All services provided and materials supplied under this Subcontract are subject to taxes as required by law. Each party shall be responsible for its own taxes and obligations.

7. Personal Protective Equipment (PPE)

The Subcontractor is solely responsible for providing all necessary Personal Protective Equipment (PPE) for its employees and subcontractors.

---

8. Measurement and Payment Certification

a) This contract is based on deliverables and as such what shall be measured will be the full delivery of a functional borehole in accordance to the specifications laid out in the method statement and approved by the Client USAID.
b) If a dry well in encountered, the matter will be referred to the Employer, USAID, for direction.

---

9. Defective Works

Any work rejected by the project's consultant due to poor workmanship shall be the Subcontractor's responsibility. Such work shall not be certified for payment until it is rectified to the satisfaction of the consultant.

---

10. Termination by the Subcontractor

The Subcontractor may not terminate this Subcontract before receiving the Engineer's (as defined in the Main Contract) final approval of the Subcontracted Works and the issuance of the Maintenance Certificate.

---

11. Extension of Time and Relief

The Main Contractor shall assist the Subcontractor in preparing applications for extension of time, additional payments, or other reliefs under the Main Contract, provided the Subcontractor is not at fault. The Subcontractor must maintain accurate records (e.g., daily reports of materials and work progress) to support such claims.

---

12. Termination by the Main Contractor

The Main Contractor may terminate this Subcontract by providing **five (5) working days' written notice** to the Subcontractor. The Subcontract shall terminate at the end of the notice

period, but without prejudice to any rights or obligations that may have accrued before termination.

13. Dispute Resolution

(a) In the event of a dispute arising under this Subcontract, the Parties shall first attempt to resolve the issue through mutual consultation.
(b) The dispute shall be referred to **Project Manager** (for the Main Contractor) and **Mr. Chande Mwafulirwa** (for the Subcontractor) who shall meet within **7 days** of the dispute notification to attempt resolution.
(c) If the dispute remains unresolved after **7 days**, it shall be submitted to arbitration under the Arbitration Act (Cap. 6:03 of the Laws of Malawi).
(d) Both Parties shall continue to fulfill their obligations under this Subcontract, irrespective of the dispute or any referral for resolution.

14. Amendments

No amendments to this Subcontract shall be effective unless made in writing and signed by both Parties.

15. Entire Agreement

This Subcontract constitutes the entire agreement between the Parties concerning the Subcontracted Works and supersedes all prior negotiations, representations, or agreements, whether oral or written. The **Terms & Conditions for Subcontract EM-HYDRO-SRG2LB2-001** shall apply to this agreement, and in the event of any conflict, the terms of this Subcontract shall take precedence.

16. Severability

If any provision of this Subcontract is found to be illegal, void, invalid, or unenforceable in whole or in part, that provision shall be deemed not included in this Subcontract, without affecting the legality, validity, or enforceability of any other provisions. The Parties shall endeavor to replace the invalid provision with one that closely aligns with their original intent.

17. Execution in Counterparts

Dear Sir,

NOTIFICATION OF CONTRACT AWARD: PROVISION OF BOREHOLES AND INSTALLATION OF ASSOCIATED EQUIPMENT FOR SELECTED SECONDARY SCHOOLS UNDER THE EQUITY WITH QUALITY AND LEARNING AT SECONDARY (EQUALS) PROJECT

Reference is made to your Bid Number MW-EQUALS-432092-NC-RFB, which was submitted to this Ministry for the provision of boreholes and installation of associated equipment in the newly upgraded selected secondary schools under the Equity with Quality and Learning at Secondary (EQUALS) Project.

In this regard, I am pleased to inform you that upon a successful evaluation process, you have been awarded a contract to provide boreholes and install associated equipment in the newly upgraded selected secondary schools in the Central West Education Division (CWED) – (Lot 3) at a total contract price of **Three Hundred and Twenty-One Million, Two Hundred and Forty-Six Thousand, Nine Hundred and Eighty Malawi Kwacha and Zero Tambala (MWK321,246,980.00)** as quoted and corrected.

Meanwhile, the Ministry is drafting a contract which shall be forwarded to you for your signature as soon as possible. However, until the formal contract is signed, this 'Notification Letter of Award' forms the basis of the contract and you should immediately, upon receipt, start preparing for execution of the Contract.

Please accept my congratulations and kindly acknowledge receipt through the issuance of a Letter of Acceptance.

Yours faithfully,

Rachel Chimbwete - Phiri, PhD.
